Your night is eternal
Dawn is never to be seen
Hide in isolation
Chase the dragon in your dream

A willing slave to darkness
A pleasure sacrifice
Kneel and beg the master
To look the dragon into the eyes

Hollow man
Dragon man
Hollow man

The fire inside is raging
Lurking in your hearts
Burning up your life
Pain becomes your parts

Cold hands that embrace you
A pleasure sacrifice
It's a half man who is begging
To look the dragon into the eyes

Hollow man
Dragon man
Hollow man
Dragon man

A pleasure sacrifice

Once started as the hunter
You soon became the prey
You cannot understand
As your vision fades away

But the hunger is still raging
To feed it is your strife
Chase the dragon for the last time
Your final act in life

Hollow man

Dragon man
Hollow man
Dragon man

A pleasure sacrifice, a pleasure sacrifice
