### "Malicious Intent"

Visit "[Malicious Intent](#)" on MotoLyrics.com

Your future is at stake  
From the womb into the grave

Reduced to a number  
Not considered a great loss  
Merely a statistic  
What matters is the cost

Lead: Boudewijn Bonebakker

Produced for battle  
You will be slain  
Highly trained cattle  
What a price to pay

Do you feel alive?

Liberation from the free of mind  
Replacing them with your own kind

Malicious Intent

No right to speak and serving blind  
Enslavement to the daily grind  
(you spend your life in mental binds)

Malicious intent

Do you feel alive?

Lead: Boudewijn Bonebakker

Your future is at stake  
From the womb into the grave
