"Serve The Masses"

I'd turn my back and walk away
If I could save this world in one day
I just do not feel the urge

I am a servant, I am a serpent
And I serve what you deserve

I've waited for this way too long
The feelings never been so strong
I want to show you how I feel

I am your servant, I am your serpent
And I serve what you deserve

Serving the masses
Scatter the ashes
Trample the masses
Serving the ashes

Serving the masses
