Thankyou for everything u've done for me  
Now i'm doning well and good  
Every day i wake up and think of you[yeah]  
Nothing will ever part us  
Thats why i'm thankfull

[verse 1]

Everyday i used to wake up  
And think how my day was gonna be  
I used to think off these messed up things  
And i'll get stressed up about them  
Since you came in my life  
Every thing has been so great  
Thats why I prase your name

chorous

[verse 2]

People will ask why i'm so happy  
Theres only one thing i could say  
That there is this one man
