Gently you are tying  
The strings around my neck  
'Round my arms, 'round my legs  
Like a flesh marionette

When you whisper in a sweet voice  
To give up my own will  
So my life will be eternal  
And of grace as never seen

And you wanna drain me  
'Cause you bought yourself a man  
I'll be free within a single thought  
'Cause I'm clean in spirit and mind  
And I am deaf for a serpent's speech  
That is always singing from a twisted mind

I'll never ever have a second thought  
To slap you in the face with the glove that's black  
'Cause if you wanna fight, follow me  
I'll fight you to hell and back, to hell and back

I will never ever have a second thought  
Slap you in the face with the glove that's black  
'Cause if you wanna fight, follow me  
And I'll fight you to hell and back, to hell and back  
'Cause it's easy to fight a mind that's black

Gently you are tying  
The strings around my neck  
'Round my arms, 'round my legs  
Like a flesh marionette

When you whisper in a sweet voice  
To give up my own will  
So my life will be eternal  
And of grace as never seen

And you wanna drain me  
'Cause you bought yourself a man  
I'll be free within a single thought  
'Cause I'm clean in spirit and mind

That's why I'm deaf for a serpent's speech  
That is always singing from a twisted mind

I will never ever have a second thought  
To slap you in the face with the glove that's black  
'Cause if you wanna fight, follow me  
And I'll fight you to hell and back

Twisted minds breed twisted offspring  
When lies become truth, the truth is black  
If I was the last, I would walk proudly  
And I would fight you to hell and back

Twisted minds breed twisted offspring  
When lies become truth, the truth is black  
If I was the last, I would walk proudly  
And I would fight you to hell and back
