I'm too sexy for live girls

The casket lid ripped open  
A festering, rotting corpse  
The stench of putrefaction  
Just makes me thirst for more

Pustulous blisters bursting  
Hair comes out in my hands  
The blackened skin peels back easy  
Fluid oozes from my glans

Maggots munching near my dick  
Makes me cum, makes me sick

I'm a monster yeah you know what I mean  
'cause I fuck dead girls in the graveyard  
In the graveyard, In the graveyard yeah  
I rape their little tush in the graveyard

Dripping sebum  
Oozing pus  
Smearing semen  
Forbidden lust
