"Third Degree Taste"

Searching for my next scalded piece
Of meat. In the parking lots I wait.
Lurking in the dark, erect from
Excitement. Grab this bitch around
Her throat. Toss her in the van she
Screams in terror. Tape her fucking
Mouth shut. My next victim she
Will get a taste. Boiling hot water
For this bitch. She will get a third
Degree taste. Burn you bitch.
Third degree burns Rise from your
Face as I fuck you in your scalded
Mouth. Shooting my load on boiled
Lips. The climax is the best for me
With her flesh still bubbling. Bitch
You got my third degree taste.
