fed up to a degree - one more than i thought i'd be
can't swallow anymore, left alone with all my greed
complexity shouldn't be any more hard than you and
me
silence followed all my dreams

you don't care anymore
you don't care anymore
i saw your sad eyes say it as you walked out the door
you don't care anymore
you don't care anymore
i heard your bad lies spreading, i don't want any more

crept up on bended knee, scuffed up what i thought i'd
need
not so innocent, we all know what you mean
honesty shouldn't be so far for you to see
folly followed my scheme

you don't care anymore
you don't care anymore
i saw your sad eyes say it as you walked out the door
you don't care anymore
you don't care anymore
i heard your bad lies spreading, i don't want any more

one time was fine, stop to rewind
incredulous to enlist the sympathy of my friends
to defend all your unkind thoughts
voracious, flirtatious, empty box of a heart-felt tragedy
enmity can't you see, for all the empty serenity that
surrounded me
one time it was fine, one time you were mine

you don't care anymore
you don't care anymore
i saw your sad eyes say it as you walked out the door
you don't care anymore
you don't care anymore
i heard your bad lies spreading, i don't want any more
