sweet, sweet castaway
don't need the love but you can't stay away
so, so lonely
can you forget it or are you just like me

never meant that much to me
lost in a world that only i knew
said you'd like to set me free
but i never really wanted to be
never meant that much to me
still i only ever think about you
said you'd like to set me free
right now you're all i really need

i'm sorry if i don't care
i'm sorry for what you think
i'm sorry for feeling good
i'm sorry for you

i said it, i said it, i meant it, i meant it
i feel like i gave you time to vent it
i couldn't prevent it, you just sat
as she stole your thoughts away
i want a beginning with no certain feeling
centered on another time with no one interfering

i miss it, i need it, i feel it fade away

i'm sorry if i don't care
i'm sorry for what you think
i'm sorry for feeling good
i'm sorry for you

never meant that much to me
lost in a world that only i knew
said you'd like to set me free
but i never really wanted to be
never meant that much to me
still i only ever think about you
said you'd like to set me free
right now you're all i really need

i'm sorry if i don't care
i'm sorry for what you think
i'm sorry for feeling good
i'm sorry for you

can't lift my feet from the ground lately
can't feel nothing but the sound
don't stop moving around, face me
please, please keep me around
