I figure it out what you say.
but now that you've gone away.
but everything turned out wrong.
i turned around and you were gone.
girl...

to my suprise i could not be..
the one that you love.
you ran away and over me.
and if i knew that you would run.
to far beyond my reach..
i would have wished that you was free..

I figure it out what you say.
but now that you've gone away.
and everything turned out wrong.
i opend my eyes and you were gone.
girl.....

to my suprise i could not be..
the one that you love.
you ran away and over me.
and if i knew that you would run.
to far beyond my reach..
i would have wished that you was free.

i would have wished that you was free
i would have wished that you was free.
i would have wished that you was free.

I figure it out what you say.
but now that you've gone away.
and everything turned out wrong.
i opend my eyes and you were gone.
girl.....

man, it seems cold out today.
i wish it was yesterday.
because this day is so dam long.
everything turned out wrong.
