Can't contain it any longer.
Fuck her lifeless pale cold body.
Dead eyes pleading me to stop.

Hanging corpse, shackled whore.
Scraping ripping organs dripping.
Intestines draped ejaculated.

Dead fuck, dead fuck, dead fuck,
Dead fuck. Dead fuck, dead fuck!

Decrepitated pendulum rotting meat hangs above.
Hands sawed off at the wrists, impending gore sadistic
bliss.

She looked better from my ceiling.
Nice and butchered quite appealing.
Guts reveal my dead fucked whore.
Rotten corpse that I adore.

Writhing as I finger fuck your open wounds. Invigorated
lacerated
Cunnilingus spread your gash. Ejaculated carving
features no compassion,
Brutalizing. Decimating chunks of flesh. Carcass fully
decomposed, freshly
Slaughtered undulating.
Eviscerated succubus, macerate. One with death I bite
the heart. A sadists
Tale never ending. Should have listened from the start.
Masticated
Domination!

Mashing chunks of rancid spew.
Dead flesh splatters on my face.
Seeping temptress now exhumed.
Filthy bitch left in disgrace.

Coagulated sea of red.
Freshly heap my new found joy.
Cadaver swarming infestation, putrefy.
Scent assaulting from a distance.

Your virgin ass I can't resist it.

Stomping with sadistic rapture.
Caving bones to compound fracture.
Now I crush your deformed head.
Mangled body left for dead.

Dead fuck! Dead fuck! Dead fuck!
