

Gorgasm "Fisticunt"

Visit "[Fisticunt](#)" on MotoLyrics.com

Ejaculating cum-drenched fist
To punch her in the face
My next victim to engorge them
With my lusting ways

Grab this bitch by it's wrist
Ripping her asshole wide
Drill out the hole with malicious intent
Whole forearm swallowed
Feeling the sphincter contract with dismay

Spitting in the open crater
Fingers forced in the knuckles
Plunging deeper as I'm raping
Leave the pussy ripped and gaping
Boring and coring her snatch is engorging
Filled with my fist as I punch her hole

Spread! Your ! Cunt!

I'LL!
FIST!
FUCK!
YOU!
BITCH!!!!!!!!!!!!.....
