Carnal quest now begins.
hacking slashing through the bone.
Feel my wrath there's no remorse.
Decrepit decadent consumption
Leaving skin and flesh exposed.
Undying sentry need to kill.
Watching bodies decompose.
Pleasure reached by malformation.

Forcing bondage body shivers.
Vicious kicking to the skull.
I possess all power now.
Bitter panic fills your senses.
Actions tempered crazed confusion.
Begging pleading, it's too late.
I will give you cause to weep.
You will be my deformation.

Tortured mangled body shadowing disgust.
Splendor through defilement vanquished half alive.
Defamate open wounds.
Dislocating breaking bones.
Pitifully displayed caged up and contorted.
Brutally confined hideous creation.

Crushing sound of rasping bone.
Grinding entrails pulling tight.
Face distorted losing form.
Torment fuels my fascination!

Forcing bondage body shivers.
Vicious kicking to the skull.
I possess all power now.
Bitter panic fills your senses.
Actions tempered crazed confusion.
Begging pleading, it's too late.
I will give you cause to weep.
You are now my deformation.
Servant for display morbid decoration.
Body half disfigured feeding my obsession.

Locked up in a cage of steel.
Your pain becomes unreal.
In this world I dominate tortured intense.
Broken bones are forced through the skin
fester from within.
Crush your body head to toe horrid suspense.
