"Two Birds, One Stone"

Love is what we got
A terrible mistake
This bedroom is caught on fire
And killed
Two birds with one stone
A terrible love song
You sang it so sweet

If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in it
If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in hell

Love is what we lost
We had a connection
This feeling has gone too far
And killed
Two birds with one stone
A terrible love song
You sang it so sweet

If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in it
If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in hell

You told me you'd keep this between us
But
If you're so sorry
I hope you're happy
You slung
Your tongue

At me
You're wrong

If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in it
If I ever see you again
And this gun is loaded
You'll sleep in hell
You'll sleep in hell
