Keep knocking on the Devil's door  
He might just get it.  
You seek knowledge of the netherworld  
You should forget it.

The serpent crawls inside of your head  
Tormenting you  
Ripping your soul to shreds.

Beg God for a better deal  
You might not get it.  
Be careful what you wish for  
You might just get it.

A burning darkside you can't deny  
Blackens you heart  
Feeding the beast inside

I am the heartless soulless bornless  
I am the lifeless godless one

I am the sickness dying masses  
I am evil made in hell

Now why has God forsaken you  
You just don't get  
Theres no prayer for your soul  
I might just get it  
I come from nowhere  
I am no one  
Nocturnal beast  
I am the devils son

I am the heartless soulless bornless  
I am the lifeless godless one  
I am the sickness dying masses  
I am evil made in hell

Your hell i'll choose, where and when  
Your soul you'll lose, in the end.
