[music: Lemay, Mongrain / lyrics: Lemay]

Disentanglement from flesh's captivity  
Freedom's lair, soon, I will reach  
Unlock the ultimate gate to perpetuity  
Mortal's lair, soon, I will leave

Disembodiment from tangibility  
Immortal, soon, I will be  
Fearless, I cross the gate to pure eternity  
Blinding light, soon, I will see

Lucid pain  
Brings the gift  
From this earth  
I shall drift

Tied ...facing the archers  
Pierced ...bleed with rapture

Rise ...towards slendors  
Feel ...divine grandeurs

Disentanglement from flesh's captivity  
Freedom's lair, soon, I will reach  
Unlock the ultimate gate to perpetuity  
Mortal's lair, soon, I will leave

Tied ...facing the archers  
Pierced ...bleed with rapture
