[music: Mongrain, Cloutier / lyrics: Lemay]

Charriot traces carved in sand  
Once more, pain, will expand my land  
Each arrow thrown  
Strengthen my throne

Bounds to my realm, the sword shall set  
My blade was the one that you've last met  
With red-stained hands,  
The victor stands

From wisdom to hate  
From wisdom to hate

Intrude my peace...war, I'll proclaim  
Your empty skull will be my gain  
I will, with greed  
Watch yourself bleed

With envious eyes, on me you've sined  
Each place I pass are left to ruins  
On your decline  
My reign will shine

From wisdom to hate  
From wisdom to hate

I am the one which none defies  
Warfare and I are unified

Wisdom collapse  
Hatred soon will rise

Charriot traces carved in sand  
Once more, pain, will expand my land  
Each arrow thrown  
Strengthen my throne

Bounds to my realm, the sword shall set  
My blade was the one that you've last met  
With red-stained hands,

The victor stands

I am the one which none defies  
Warfare and I are unified
