Wuz happenin'  
King kong in this muthafucka nigga  
Niggaz wanna know how I went from broke to rich  
Braggs the riches y'all know what I mean?  
From grams to bricks  
From being nothing to being the shit  
Ya know what I did nigga  
I got my hustle on man  
I got into the trap and went ham nigga

Live fast die young getting money where I'm from  
In the trap selling yay knew the gheys?is gonna come  
Pick the cake outa drum everybody got a gun  
If you trying to get some money I can show you how it's  
done  
First you gotta go ham (go hamm)  
Put the trap make the trap go ham (go hamm)  
From my money talking popping rubber bands (rubber  
bands)  
You want some money man ya gotta go ham (go  
hamm) (go hamm)  
Pull up to the club going ham (going ham)  
New whip on a bitch like damn (like damn)  
They can hate but they know that you the man (you the  
man)  
Ya want some money man you gotta go ham (go ham)

The teacher said I wont be shit  
So to the school man I said fuck it  
When I bought myself a chevy it was nothing, just a  
bucket  
But the bucket had to work when I got myself some  
work  
Park my bucket at the school, and sold my weed to all  
the NERDS  
Till I got myself enough just enough to buy a pound  
When I bought myself a pound I broke it down it's going  
down  
From a one to a three from a three to a six  
From the green to the white, man I had to make a  
switch

Got a zip of that white from a zip to a split  
From a split to a half  
From a half to a brick  
From a brick to another  
I'm a hustlin mothafucka  
If ya wanna get some money shorty hustle

First you gotta go ham (go hamm)  
Put the trap make the trap go ham (go hamm)  
From my money talking popping rubber bands (rubber  
bands)  
You want some money man ya gotta go ham (go  
hamm) (go hamm)  
Pull up to the club going ham (going ham)  
New whip on a bitch like damn (like damn)  
They can hate but they know that you the man (you the  
man)  
Ya want some money man you gotta go ham (go ham)  
(go ham)

A hundred thousand in the hood  
Man the folk gona say you rich  
Take that money by a whip then you get a bad bitch  
With the money that is left take that money real quick  
Last plate you aint gotta rip no mo you the shit  
You the cocaine king u connect it to the bud  
They gone front you everythang they can't help it show  
ya love  
Know the other side going hate ya, man why even give  
a fuck?  
Keep on balling aint no stalling take that work and blow  
it up  
You the weight man I'm talking weight man  
No goals yeah I'm still pushing weight man  
Eight for a o twenty-eight to o  
You want the blueprint then get money here it go

First you gotta go ham (go hamm)  
Put the trap make the trap go ham (go hamm)  
From my money talking popping rubber bands (rubber  
bands)  
You want some money man ya gotta go ham (go  
hamm) (go hamm)  
Pull up to the club going ham (going ham)  
New whip on a bitch like damn (like damn)

man)
