We're girlfriends well we're bisexual  
But we want you and we want to corrupt you tonight

I like girls all type of girls  
I like girls who like girls

DJ. tell her what you thought we need more liquor  
The girl on the girl but I bet she won't kiss her  
Even if she kiss her I bet she won't lick her  
Fuck around and lick her homeboy you gonna miss her  
Take home wit me and menaja' wit 'em  
First I feel 'em then they let me kill 'em  
Standin' on her bed got her hands on the ceiling  
She's all woman she so woman  
All on me all my women  
Whatever they want finna go get it  
Menaja-three me and two women  
If you boyfriend come to him to you tell him...

I like girls all type of girls  
I like girls who like girls

Had to start back over she say she ready  
And her friend was too I had to hold on steady  
Steady? Steady. You say you ready  
Now what have I got myself into  
Satisfied too I will attempt to  
What do you do when she's on her and she's on you  
I'll tell you what to do...  
Get loose. Get loose. Get loose. Get loose.

Ay lets go  
Do it to me and I'll do it to you  
You won't regret it tonight when we're through  
I like girls all type of girls  
I like girls who like girls

I like girls all type of girls  
I like girls who like girls

What do you do when she's on her and she's on you

I'll tell you what to do...  
Get loose. Get loose. Get loose. Get loose.

Do it to me and I'll do it to you  
You won't regret it tonight when we're through  
I like girls all type of girls  
I like girls who like girls
