Sip and skirt, trunk full of that work  
Blowin cigarillos stuffed full of that purp'  
Drunk, burp, shorty hit that muh'fucker  
Bet that bitch convert (bet that bitch convert)  
You don't like me... like what I say...  
Fuck you I'ma say it anyway  
I think your favorite rapper is a sissy  
I thought he was a gangster, why they got him lookin  
pretty?  
Tell them rainbow niggaz to come and see me  
I'll heavily cut ya, have your torso leaky  
The only color I kill over is green  
And over them white boys I'll rupture your spleen  
See what I mean? Niggaz is hoe believe me  
Come and get these hollow tips, my bullets got  
coppertini

[Chorus: repeat 2X]

A whole lot of niggaz talk a whole lotta shit  
But when it goes down they ain't fin' to do shit  
Do somethin, do somethin (DO ANYTHANG~!)  
Do somethin, do somethin (I MEAN ANYTHANG~!)

[Gorilla Zoe]

Even if you're sellin samples make a profit  
Hoe you ain't makin nuttin? Huh, fuck nigga stop it  
If you got it why not go on and cop it  
Talkin 'bout what you gon' do, nigga I think you poppin  
Niggaz talk a lot, but they ain't real doe  
You bitch made nigga grab a dildo  
Hundred round draw and lean back, do the limbo  
You're playin games with Donkey Kong on Nintendo  
I'm King Kong, silverback Congo  
Call me Gorilla but my real name 'Lonzo  
Runnin last set, 8 months and a fumble  
Zoked you might be but big bro he head honcho

[Chorus]

[Gorilla Zoe]

Puff some ad-libs, and fuck a rap

I do it for my hood niggaz in the fuckin trap  
Who's the king now? You the king of who?  
I'm a feral motherfucker, "Welcome to the Zoo"  
This the third verse let's get to a conclusion  
Image is a smokescreen, these rappers are illusions  
(YEAH~!) There you go... I said it damn it  
If you don't like, fuck ya nigga, go on do somethin to  
me  
I ain't fazed so they so causin repercussions  
Dropped on your ass, try to do some reconstruction  
Killer for real gon' handle these niggaz  
The block is the Zoo and the world gon' feel us  
These niggaz can hate but these bitches gon' feel us  
I'm king of the jungle they call me Gorilla

[Chorus]
