You did it to yourself,  
Now you're all by yourself,  
Acting like you hate me,  
I left because you made me,  
You played me to the left,  
Now there's nobody left,  
To hear your complaining,  
I'm gone and all you're hearing is your own

(Chorus)  
Echos!  
E-echos!  
And I'm gone,  
And you're all alone,  
Can't you hear the hear the,  
Echos!  
E-echos!  
No one to hear you,  
There's nobody near you,

It started off great,  
But who was to know,  
That love that is lost,  
Cannot be let go,  
You said it's my fault,  
Ok then I'll go,  
It's better to know,  
Now there's nobody to argue with,  
Cause I'm not home,  
Don't care who you're with,  
Don't call my phone,  
Or did you forget,  
You know you're wrong,  
I'm gone!  
And you're all alone, hearing your own damn,

(Chorus)

Disgusted with trust,  
I trust no one no more,  
Just went with the flow,  
Found myself on the floor,

When you went away,  
All my pain went astray,  
Like it's a new day,  
Now I have no one to argue with,  
Cause I'm not home,  
Don't care who you're with,  
Don't call my phone,  
Or did you forget,  
You know you're wrong,

I'm gone,  
And you're all alone,  
Hearing your own damn,

Echos,  
Your own damn,  
E-echos,  
No one is near you,  
No one can hear you,  
It's your own damn,  
Echos!,  
E-echos!,  
No one to hear you,  
There's nobody near you,

All night long,  
I thought to my self,  
Why would I stay with you,  
Realized that you were the one who had issues,  
So why would I miss you,

To argue with,  
Cause I'm not home,  
Don't care who you're with,  
Don't call my phone,  
Or did you forget,  
You know you're wrong,  
I'm gone!,  
And you're all alone,  
Hearing your own damn echos!,  
It's just you and your,  
E-echos!,  
It's just you and your,  
I hope you're talking alone,  
It's just you and your,  
Echos!,  
It's just you and your,  
E-echos!,  
There's no one to hear you,  
There's nobody near you,  
It's just your own damn,

Echos!,  
Your own damn,  
E-echo!,  
Echo!,  
E-e-echo!,  
Echo,  
E-echo,  
E-e-echo,

To argue with,  
Cause I'm not home,  
Don't care who you're with,  
Don't call my phone,  
Or did you forget,  
You know you're wrong,  
I'm gone!
