Deep in they heart,

they knew they couldn't hold me

God had a plan for little Z-O-E

Shawty wish she woulda gave me her number

I was broke back then,

now a nigga doing numbers.

Same clothes everyday sleeping on the carpet.

Now im sean johned down on the red carpet.

Hahaha They knew that I was down bad

They say fuck em dont even front that boy a 50 sack

When I was fucked you didnt feel bad

The block cut me a check I heard you looking bad.

[Chorus]

[Spoken]

You motherfuckers are like crabs in a bucket man.  
All ya'll niggas do is just sit back and do nothing.  
Talk about it forever, do something nigga buy a crib or

[Verse 2]

I wake up early  
and stay up late  
I cant stop, I wont stop  
Shorty its too late  
When I was young we shot ball into milk crates  
Now we full court press on my own estate.  
We used to steal from when dissing when nothing to  
eat.  
Now you can catch me and my hand in these smell  
meats.  
I'm still in the hood, white tee, white ones,  
and the chevy strapped up like its fat like big buns.  
My phone going ham, niggas leaving stupid messages.  
But I aint mad cuz the lord keep blessing this.  
He kept my mind right, took me through the storm  
His soul clear patches nobody lay harm.

[Chorus]
