I'm not perfect,
I'm just me.
And I can't pretend to be nobody else
I can only be me

If you don't like me, all well
The time it take to judge me
homeboy better judge yourself

I'm only human yeah
I'm only human
We aint perfect no
No, we ain't perfect no
I'm only human yeah
I'm only human
We aint perfect no
No, we ain't perfect no

Talking bout this
they talk about that
They say that you're ugly
say that you're fat
smile in your face
to stab you in the back
You try to do good,
they say you do crap.
They say you gotta
be skinny look so pretty,
image is the key to the got damn city.
I know the radio is gonna beep this one
when i say: Beep that(Beep that)

Cuz I'm not perfect,
I'm just me.
And I can't pretend to be nobody else
I can only be me.

If you don't like me, all well
The time it take to judge me
homeboy better judge yourself

I'm only human yeah
I'm only human
We ain't perfect no
No, we aint perfect no
I'm only human yeah
I'm only human
We ain't perfect no
No, we ain't perfect no

Livin' your life
sometimes it ain't fair
but f*** what they like
tell 'em who cares?
tables all turn
like musical chairs,
you can't make orange juice
from squeezing a pear.
they laugh cuz your different
tell 'em they're a clone.
they think that you're weak
but show 'em you're strong.
So what if I'm right,
so what if I'm wrong,
what if I can't finish lyrics
to this got damn song?

I'm not perfect,
I'm just me.
And I can't pretend to be nobody else
I can only be me.

If you don't like me, all well
The time it take to judge me
homeboy better judge yourself

I'm only human yeah
I'm only human
We ain't perfect no
No, we ain't perfect no
I'm only human yeah
I'm only human
We ain't perfect no
No, we ain't perfect no

Say you got money
So what if I'm poor
You own a bank
I work at a store
So so what who cares what you've got
I'm still putting my food in my pot
So what if I was homeless

Sleeping on the curb
What if I'm from the ghetto
What if I'm from the suburb
What if I'm not cool
So what if I'm a nerd
If I gave you advice
Could I still be heard?

I'm not perfect, I'm just me
And we ain't perfect Nooo
No, we ain't perfect Nooo

I'm only human
I'm only human
