ZOE: Juice box?

I make a Juice box wet, wet, wet, wet, wet, wet

I make a Juice box drip, drip, drip, drip, drip, drip

I make a Juice box talk, talk, talk, talk, talk, talk

I make a juice box pop, pop, pop, pop, pop, pop

[Yung Joc]

My eyes low

Chinky like Mr. Miyagi

Extra fresh, I'm drippin' to isa miyaki

Wax on, wax off like Karate kid

28's on tha chevy, ya know what it is

Me & my dogs hit the club like bam

The trunk be like wam

Them hoes be like damn

Walk up in the club, neighborhood superstars

Buyin up the bar, cushin' a cigar

A bitch on each arm, and both them hoes foreign

Menagin' widcha boy, tryna drink my unborn

Lickin' on each otha, acrobatics wid they tounge

Shake it like Beyonce, go ring the alarm

I make a Juice box wet, wet, wet, wet, wet, wet

I make a Juice box drip, drip, drip, drip, drip, drip

I make a Juice box talk, talk, talk, talk, talk, talk

I make a juice box pop, pop, pop, pop, pop, pop

[Gorilla Zoe]

I go hard

Hard like a rock

I pogo stick a bitch

Until she holla stop

The juice box wet  
Drippin' like a mop  
Treat her like a rope  
And tie her in a knot

Hood nigga shit meet me at the travelodge  
Bring some redbulls and some Trojan extra large  
Work a big chop, she gon lose a lot of carbs  
Make that juice box talk, man I make that pussy fart  
The girl can't win  
Once I get it in  
I turn her ass over  
And make her back bend  
I beat it for an hour  
Than I rest for 10  
And grab another rubber  
And do it all again  
I make a Juice box wet, wet, wet, wet, wet, wet  
I make a Juice box drip, drip, drip, drip, drip, drip  
I make a Juice box talk, talk, talk, talk, talk, talk  
I make a juice box pop, pop, pop, pop, pop, pop

[Yung Joc]

Is it the way I say my name  
The way I rock my chain  
The way I walk into the club  
Drive the hoes insane  
I roll with hood figgas  
Real niggas, money gettas  
Fuck with us, ay choppa hit ya  
Choppa split ya shit  
Uh enough of all that  
Tryna make a juice box wet fall back  
Now whip it out what do u call that?  
She got skin babygirl, haul ass  
But I just follow the drip, follow the drip... now  
She's all on my dick, she's all on my dick... wow  
She's rockin' her hips, she's rockin' her hips... pow  
Now she's callin' it quits, callin' it quits...  
I make a Juice box wet, wet, wet, wet, wet, wet  
I make a Juice box drip, drip, drip, drip, drip, drip  
I make a Juice box talk, talk, talk, talk, talk, talk  
I make a juice box pop, pop, pop, pop, pop, pop
