[Intro: Gorilla Zoe]

Phone ringing off the hook;

Couple pounds, gotta weigh it up,
Work, work, we can work it out,
If you don't like the mid, then come and kush it out,
Meet me at the trap, yeah it's going down and for a
couple grand;
You can get a couple pounds,
I'm talkin' mint green, I ain't talkin' Bobby Brown,
3 for 10 shawty how that sound?

[Hook:]

We get em in (in) then we get em out (out)
If you do ya thang you know what I'm talkin' bout
Shawty I'm just (tryna make a jug) [x2]
Shawty I'm just (tryna make a jug) [x2]
First you get the money
Then you get the clout
We the few niggas still eatin' in the trap
Nigga! I'm just (tryna make a jug) [x2]
Shawty I'm just (tryna make a jug) [x2]

Man I gotta make a jug I'm just tryna make a play

Rabbit food, one stop shop, gettin' money, all around

And I ain't talkin' 'bout the studio,
White bitch, yeah I be whippin' up a groupie ho,
All on the stove dog, all in the kitchen,
Hit the block with the bags
And that bitch get missin',
