Magic for me
Magic make no sound
It good for me
It good for me underground

Magic on me
Really got me down
Invade the city
It make my heart
Beat no sound

Beat no sound
Beat no sound
Beat no sound
Beat no sound
Beat no sound

And let me tell myself
Tell on
She turned my dad on
She turned my dad on
Dad on, dad on

Magic for me
Magic get me through
We pledge it money
People seem to walk through you

Magic's funny
Magic get me through
All good for me
When people seem to
Always walk through you
Walk through you

Walk through you
Walk through you
Walk through you
Walk through you

Walk through you
Walk through you

Walk through you
Walk through you

And let me tell myself
Tell on
She turned my dad on
She turned my dad on
Dad on, dad on

She made me kill myself
Come on
Come on

She turned my dad on
Come on
She turned my dad on
Come on
She turned my dad on

She turned my dad on
Dad on, dad on
