"Cloud Of Unknowing"

Visit "[Cloud Of Unknowing](#)" on MotoLyrics.com

On the cloud of unknowing
My world seems open
Every satellite up here is watching
But I was here from the very start
Trying to find a way to your heart

All the days are forgetting
They've gone out with the tide
Lost at sea somewhere, waiting

Like setting suns at the rodeo
Trying to find someone you'll never know

Oh, sinking love
On the cloud of unknowing
Every satellite up here is watching
Waiting to see what the morning brings
May bring sunshine on it's wings
