Bound to myself and goes home  
Making of herself a number  
Always tell her before I start up  
Do now what I tell you SHUT UP!

Bound to the chair  
Do me what you can  
Bound to a door  
Get down on the floor  
Find out how we'll do with the loop  
Till everybody says SHUT UP!  
Yeah!

Telling to miguel I love her  
Try and see what happens GET UP!  
Everybody says I should up  
Last time I told them right off

Playing with the sun  
I knew what I was doing  
Did it to myself  
Did it to myself  
I let HORROR to myself of doing  
Cos'everybody tell me SHUT UP!
