I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
The future is coming on

I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
The future is coming on  
It's coming on, it's coming on, it's coming on

Yeah, ha, finally someone let me out of my cage  
Now time for me is nothing 'cos I'm counting no age  
Now I couldn't be there, now you shouldn't be scared  
I'm good at repairs and I'm under each snare

Intangible, I bet you didn't think so I command you to  
Panoramic view, look I'll make it all manageable  
Pick and choose, sit and lose all you different crews  
Chicks and dudes who you think is really kickin' tunes?

Picture you gettin' down in a picture tube  
Like you lit the fuse, you think it's fictional  
Mystical? Maybe, spiritual, hearable  
What appears in you is a clearer view when you're too  
crazy

Lifeless, to know the definition for what life is  
Priceless, for you because I put you on the hype shit  
You like it? Gun smokin' righteous with one token  
Psychic among those, possess you with one go

I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
The future is coming on

I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
The future is coming on  
It's coming on, it's coming on, it's coming on

The essence, the basics, without it you make it  
Allow me to make this child like in nature  
Rhythm, you have it or you don't that's a fallacy  
I'm in them

Every sprouting tree, every child a piece  
Every cloud you see, you see with your eyes  
I see destruction and demise, corruption in disguise  
From this fuckin' enterprise, now I'm sucking to your  
lies  
Through Russ, though not his muscles but the  
percussion he provides

With me as a guide  
Y'all can see me now 'cos you don't see with your eye  
You perceive with your mind, that's the inner  
So I'm gonna stick around with Russ and be a mentor

Bust a few rhymes so mother fuckers remember  
Where the thought is, I brought all this  
So you can survive when law is lawless  
Feelings, sensations that you thought was dead  
No squealing, remember that it's all in your head

Hey I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
The future is coming on

I ain't happy, I'm feeling glad  
I got sunshine, in a bag  
I'm useless but not for long  
My future is coming on  
It's coming on, it's coming on  
It's coming on, it's coming on

My future is coming on  
It's coming on, it's coming on  
It's coming on, it's coming on  
My future is coming on  
It's coming on, it's coming on  
It's coming on, it's coming on

My future is coming on  
It's coming on, it's coming on  
My future is coming on  
It's coming on, it's coming on  
My future is coming on  
It's coming on, it's coming on, my future
