Yeah,
Dream on my world
I live on my world
Going out my head down to
We're going somewhere
Goin' on the best of june
Under pressure today
I'm gonna burn mine away today
Had to go
Had to be dumb
It ran away

Brother, sister too
Do what you must do
Don't trust people you meet

Yeah, yeah
They might promise you
That the river ain't deep

Her mind is sweet
It'll pass on through me,
It's the glue
Where my brain
Oh my heart babe
Gonna bring it all too

Brother, sister too
(she walked out tomorrow)
Do what you must do
(like a corner, yeah)

Don't trust people you meet

Yeah, yeah
They might promise you
That the river ain't deep (x2)

Brother, sister too

Do what you ought to do

Ooh my baby they say
The river ain't deep
But it's in the dark

The river ain't deep

The river ain't deep
The river ain't deep
