Yeah,
Dream on my world
I live on my world
Going off my head down to
Somewhere
Goin' on the best of June
And pressure today
I blew a bad man away today
He had a gun
Had to be done
I blew the man away

Brother, sister too
Do what you must do
Don't trust people you meet

Yeah, yeah
They might promise you
That the river ain't deep

Dream on the street
People passing through me,
Yes they do
Well my friend
Won't my heart mend?
Gonna bring it all back

Brother, sister too
(She walked down a tunnel)
Do what you must do
(Like a corner, yeah)

Don't trust people you meet

Yeah, yeah
They might promise you
That the river ain't deep (x2)

Brother, sister too

Do what you want to do

Ooh but baby they say
The river ain't deep
But it's in the dark
And you can't get in that far

The river ain't deep
The river ain't deep
The river ain't deep
