Slow it down some  
No split clown bum  
Your gold hit sound dumb  
Hold it now, crown 'em

Where you found them at?  
Got 'em 'round town  
Could've drowned in it  
Woulda floated bloated

Voted sugar coated  
Loaded hip shooter  
Draw for the poor  
Free coffee at the banks

Yip through the straw  
None more for me, thanks  
That blanks the raw, that dang sure stank lit  
Sank passed the pit for more hardcore prank spit

Crank it on blast  
Roll past front street  
Blew the whole spot  
Like some old ass with skunk meat

These kids is too fast  
Juiced off of junk treat  
Who could get looser off  
A crunk or a funk beat?

Somethin' has started today  
Where did it go? Why you want it to be?  
Well you know, November has come  
When it's gone away

Somethin' has started today  
Where did it go? Why you want it to be?  
Well you know, November has come  
When it's gone away

Baha, can you dig it like a spigot?  
My guess is yes you can like, can I kick it? Wicked

Liquor shot, if you happy and you know it  
As you clap your hands to the thick snot of a poet flow it

Broke a pen and I'm in cope hymen  
Dope or rhymin' all worth it then, the hope diamond  
Required off the black market or wire tappin'  
Couldn't target a jar of spit, the rapid fire spark lit

Zzzt, a rapper bug zapper  
And it don't matter after if they's a thug or a dapper  
Plug yer trap or it's maximum exposure  
The beast got family in numbers askin' 'em for closure

Auh, send 'em a gun an tell 'em clean it  
Then go get the nun who said her son didn't mean it  
She wore a filled-in thong, a billabong  
And said, nah, fo'realla, the Villain on a Gorilla jawn?

Somethin' has started today  
Where did it go? Why you want it to be?  
Well, you know, November has come  
When it's gone away

Somethin' has started today  
Where did it go? Why you want it to be?  
Well, you know, November has come  
When it's gone away  
When it's, when it's gone away
