Gravity on me
Never let me down gently
Gravity with me
Never me let me go, no no
Gravity...

I don't pull me down
I don't pull me down on me
I don't pull me down
I don't pull me down on you Gravity on me
Never let me down gently
Gravity with me
Never me let me go, no no
(I don't pull me down
I don't pull me down on you)
Gravity on me
Never pull me down gently
(I don't pull me down
I don't pull me down on me)
Gravity with me
Never me let me go, no no
(I don't pull me down
I don't pull me down on you)
Gravity on me
Never pull me down gently
Gravity with me
(I don't pull me down
I don't pull me down on you)
Never let me down, no no
Gravity...

Don't Take Me Back With You
Don't Take Me Back Back Back
