In my backpack
I got my act right
In case you act quite difficult
And your result
Weaken
With anger and discontent
Some are seekin
In search of
Like Nimoy
I'm a peace loving decoy
Ready for retaliation
I change your whole location to a pine box six-under
Impulsive don't ask why or wonder
Orders given to me is
strike and I'm thunder with lightning fast reflexes on
constant alert
from the constant hurt that seems limitless with no
drop in pressure
Seems like everybody's out to test ya
til they see you break
You can't conceal the hate
That consumes you
I'm the reason why you fill up your Isuzu
Chill with your old lady at the tilt
I got a 90 days extension
And I'm filled with guilt
From things that I've seen
Your water's from a bottle
mine's from a canteen
At night I hear the shots ring
So I'm a light sleeper
The cost of life seems to get cheaper
out in the desert
with a street sweeper
The war is over
So said the speaker with the flight suit on
Maybe to him I'm just a pawn
So he can advance
I remember when I used to dance
Man, all I want to do is dance

All I want to do is dance
All I want to do is dance
All I want to do is dance
All I want to do is dance
All I want to do is dance
All I want to do is dance
