Opening: [Party]
Rock the world tonight
It's wine and women into fashion
And London lives, underground is flashin'
New York is wilder
Than any jungle you can find
And Tokyo - love beneath the sunset
Wherever I go
In my mind
I will hold your hand
Chorus:
Let's all rock the world together
ACTION - shake it up
Roll away the stone forever
ACTION - wake it up
Hong Kong - it spits the fire of the dragon
In Rome all roads lead you into passion
And in the arctic, it's a timeless paradise
And pretty girls wait for you in Moscow
Wherever I go
In my mind
I will hold your hand
Chorus
Tusovka! [Party]
We're rocking
Hot
We're rolling mama
Chorus
Rock the world tonight!
It's ACTION!
