Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire
Bang,Bang! (russian) fsegda na da,
Nothing less, I wanna hear a yes

Bang! Say da,da-da, da,
Tell me yes,and let's feed the fire
Bang,Bang! (russian) fsegda na da,
tell me yes.

HUH!

The word is out, I got good news,
Were gonna go for midnight cruise.
Staying where it's always cool,
Trip digits what you learn in shool.

Look out, the gangs are here,
Getting tough in tender years.
Come for a ride,
Straight up to heaven,
your rocket is ready and it started counting down...

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! (in russian) fsegda na da
Nothing less, I wanna to hear a yes.

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! (in russian) fsegda na da
Tell me yes...

DA!

Give it in,give it all,
We can put it all,
But we could vomit all out.

Get a little, gain alot,
It doesnt matter,well never stop
So while the others weep,

Red heart and sugar sweet,

Come for a ride,
Straight up to heaven,
Your rocket is ready,
And it started counting down...

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes

Bang!Say da,da-da,da,
Tell me yes,and lets feedthe fire
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes

HEY!
COME ON!

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes

Bang! Say da,da-da,da,
Tell me yes,and lets feed the fire.
Bang,Bang! fsegda na da,
Nothing less,I wanna hear a yes
