People try to put us down, talking 'bout my generation
Just because we get around, talking 'bout my
generation
Things they do look awful cold, talking 'bout my
generation
Hope I die before I get old, talking 'bout my generation
Chorus:
This is my generation This is my generation
This is my generation Oh yeah my generation
This is my generation My generation
Why don't you all fade away, talking 'bout my
generation
Don't try and dig what we all say, talking 'bout my
generation
I'm not trying to cause a big sensation, talking 'bout my
generation
I'm just talking about my generation, talking 'bout my
generation
Chorus
[On your feet, Russian people]
[On your feet, Russian people]
[On your feet, Russian people]
[On your feet, Russian people]
Chorus
People try to put us down, talking 'bout my generation
Just because we get around, talking 'bout my
generation
Things they do look awful cold, talking 'bout my
generation
Hope I die before I get old, talking 'bout my generation
Chorus
This is my generation
[This is my generation]
This is my generation This is our generation
This is my generation Eto moyo metageidi yeah
This is my generation Hey hey hey hey yeah
This is my generation Yeah!
