Dance to the poetry

It's gonna be just you and me

We'll groove on that groovy beat

It'll be boss keen neat yeah

The gang they'll all be there

Join the fun and don't be a square

We'll lipsync a go-go

Just like the Lloyd Thaxton show yeah

CHORUS

Beatnik Beach

It's really neat

Limbo down

Hit the ground

Put on your paisleys

PUt on your black beret too

Join all us beatniks

Nothing better could happen to you yeah

CHORUS
