He's crying inside

Can't tear the hurt out

Life's rushing by

Like and old movie backdrop

The radio's blasting

Song after song

About the big romance

That went all wrong

CHORUS

She says:

I just wanted to make you

I never meant to break you

He says:

Have some mercy on me

Do you have to be

Such a mercenary

She's scheming inside

Can't stop the wheels turning

Been through it before

There's no profit or learning

She's not really bad

Just a gold-plated heart

So scared to be alone

It rips her apart
