Charlotte Caffey/Jane Wiedlin)

We all know the chosen toys

Of catty girls and pretty boys

Make up that face

Jump in the race

Life's a kick in this town

Life's a kick in this town

CHORUS

This town is our town

It is so glamorous

Bet you'd live here if you could

And be one of us

change the lines that were said before

We're all dreamers-we're all whores

Discarded stars

Like worn out cars

Litter the streets of this town

Litter the streets of this town
