Charlotte Caffey/Jane Wiedlin/P. Case)

The street lights are shining bright

The billboards are shedding their light

And my crowd's hanging around

Tonite

There's a charge in the air

It's kind of electric out there

And we're all out on the town

Action-gonna track it down

Gonna turn some heads

Tonite

There's nothing

There's no one

To stand in our way

Get dressed up

And messed up

Blow our cares away

Our mind's set on seeing

This night through til day

We rule the streets tonite

Until the morning (light)

The boulevard's crowded and loud

It's time for excitement right now

There's no better world to be found

If there was

We'd give it all for

For a lifetime like

Tonite
