I'd like to know when we will learn,
That sharin' love never hurt no one.
many never get to see it's outcome.
Because sharin' love is never done.

So many problems would disappear.
If we help instead of passin' by.
Sacrifices come from sharin' love,
As lovin' us caused Christ to die.

Sharin' love has never hurt no one.
And It's such an easy thing to do.
Sharin' love has never hurt no one.
Love is God's greatest gift to you.

Compassion, helpin', and showin' care.
Always saves a soul of one who shares.

Sharin' love has never hurt no one.
And It's such an easy thing to do.
Sharin' love has never hurt no one.
Love is God's greatest gift to you.
