Vers 1

I decided to leave home and family and to leave all the
love i known behind all in search with a dream within
my mind it didnt matter when i left whose heart was
broken i didnt care how many tears they cried i
wondered in the new world just to see the wilder side
of life

Chors.

Shattered dreams shattered dreams all my life without
you lord is shattered dreams

Vers 2

Here at home now i need my fathes mercy oh lord i
have seen and i know i have brough desgrace but i
imagine for forgiveness oh am i worthy god will be glad
just to see the look upon yours face

Repeat chors 3X
