V1

Are your crosses too heavy to carry;
And burdens too heavy to bear?

Are there heartaches and tears and anguish;
And there's no one who seems to care?

Chorus

Standing somewhere in the shadows you'll find Jesus,
He's the Friend who always cares and understands.

Standing somewhere in the shadows you will find Him
And you'll know Him by the nail prints in His hands.

V2

Are there shadows of deep disappointment,
And trusts that have proven untrue?

Has the darkness of night settled round you
Has your hope and your faith wavered too?

Chorus

Standing somewhere in the shadows you'll find Jesus,

He's the Friend who always cares and understands.

Standing somewhere in the shadows you will find Him
And you'll know Him by the nail prints in His hands.

V3

Has the storm over shadowed your sunshine,
And life lost attraction for you?

Have the dreams that you cherished been broken,
Is you soul filled with bitterness too?

Chorus

Standing somewhere in the shadows you'll find Jesus,
He's the Friend who always cares and understands.

Standing somewhere in the shadows you will find Him
And you'll know Him by the nail prints in His hands.
