Chors.

Tell me who but god can do such things as he (who but god who but god) who but god can do such things as he (who but god who but god)He can calm the stormy waters, when He speaks the demons flee. yeah tell me who but god can do such things as he

Vers 1

Well he walks from cloud to cloud, His finger prints are on the sun, those big stars that hang on nothing just more miracles He's done. His breath becomes the wind, the sea in the palm of His majesty, tell me who but god can do such things as He.

Rpeat Chors.

Vers 2

He can change a life so wretched when the world says theres no hope. cause a drunker to queit drinkin, set an addicit free from dope. he can make something from nothing cause he did just that for me, who but god can do such things as he
