[Martin Luther King, Jr. Sample]

"I'm not worried about anything!"

"I'm not fearing any man!"

"I just wanna do God's will!"

[Intro]

Ay niggaz, Who them fools kickin up here in the hood?

I don't know, But we finna check these fools

Ay little niggaz come over here

What's up loc?

Nigga where you from?

From world harvest western church

What? Nigga, What you doin in my hood G'd up?

Man I came to peace homeboy, Wit the Jesus thing, I
ain't tryin to

Peace? I'll sock you, Say somethin

[Mr. Solo]

Uh, Not the .9, But vengeance is mine said the florida
hopes

So I keep my peace while I keep prayin in the holy ghost

You'll get served if ya choose to be a tool

Pop said let a fool be a fool, Yeah

So I do, I'm not the one to run yo life

I tell you what it's like

Step up, Leave advice

And like Christ, When ya persecute, I stay silent

Ya call me names, Talk head, But don't get violent

I'll let you whoop and don't respond, Don't think I'm soft

Cause while I'm quiet, I'm prayin to keep from breakin
you off

My homies known to break a chump that's passive

Cause you'll play em like a punk and Solo's passive

I stays humble and meek and walk in love, Holmes

I turn my cheek, You play me weak, We put the gloves
on

Because I'm sick of the dissin and disrespect

Let alone sweat, I ain't the christian to try to jet

I hit the deck, It's like I'm sounding off a war call

He got the mic, Take ya life and the story all

So I don't gotta get violent when I rhyme

Or pack a .9 cause the battle ain't even mine

[Chille Chill]

It's the gangsta, Givin the glory to God, I like to thank
ya

Don't step to the ya bu gang so crew cause God'll have
to spank ya

If ya soul ain't saved like Solo said, We have to gank ya
I pray but if you swing on Chill, Then Chill'll have to
bank ya

Cause there'll be no destruction to my temple
So stay in place, So you can keep yo life simple
I got an angel down to strangle and entangle
If you slip, I trip, You slip cause he's equipped for the
mangle

[Tik Tokk]

Hope you don't think I'm bluffin or nothin
Step to me and i'll pray and God'll break you off
somethin

I speak the word and watch God hoo-banger
It's not that I can't hang just no need to slang these
thangs

Don't think I'm soft because I don't face suckers
I'm livin holy, It ain't like niggaz bustas

[Mr. Solo]

Yeah, So don't get disrespectful
Yeah I'm a christian but yo chin is still checkable
To the break, Kid

[samples]

"Cool, Cause I don't get upset"

"Some think I'm soft just because I'm humble"

"Cool, Cause I don't get upset"

"Some think I'm soft, Soft, Just because cause cause
I'm humble"

"Some call me the gangster of love"

Well nigga, What you sayin?

[Mr. Solo]

As for the spirit, Then my God is the filla
Mess wit his son, Then my God is a killa
I never look for trouble, But if somehow I finds it
I stands on the word and in Jesus name I bind it
See I don't wanna harm ya, So I'm tryin my best to warn
ya
Don't step to the soldier cause I'm trained to use my
armor

[Tik Tokk]

As I Pursue ya

[Mr. Solo]

Wit the grim in he step into ya
I plan to do ya
Wit the glory, glory, glory

[Tik Tokk]

Hallelujah
I slays when I praise like a breeze
Through the trees and on my enemies I puts in work on
my knees

[Mr. Solo]

Steadily I keep walkin in the spirit to stay out the flesh
But people filled wit demons are just jealous put me to
the test
I'm givin you 2 choices boss
Leave, Or you might get tossed
Get delivered by Christ cross or this white cross
I'm not sayin I'm strappin, cappin, or I'm packin
But if you think that christians is marks, Then Nathaniel
happened
Check it

[Chille Chill]

Since I'm a christian, Don't think that you can step, Y'all
Cause I can't lie, Sometimes I fall
And I might fall in sin wit yo chin
And when you fall, You get anointed by my size 10
No, No loc that's just Satan tryin to tempt me
He's tryin to make me fall in sin so he can pimp me
I know the battle ain't flesh and blood, So I pray
For God to give me the strength to make it to live so I
can stay in love
Man, You betta pray about it

[samples and scratches]

"I live by the sword"
"Some think I'm soft just because I'm humble"
"Cool, Cause I don't get upset"
"Some think I'm soft just because I'm humble"
"Some call me the gangster of love"
Niggaz!!!!
"Think about that, Think about this"
"If I tryed to hit ya, Do ya think that I would miss?"

[Outro]

Geah, We was on our way in the nine-trizxae
But now we steppin through the do' in the nine-fizzo
You know

Ha ha ha ha

[Reggae Chants-Strictly best guess]
