You'd better run and hide

Twenty five dollars wasted on you  
Got you out of trouble, but you'll soon  
Come by for another try  
You're a friend of mine and I know  
Only crooked places you can go  
Your eyes conveyed too many lies

(Chorus)

You'd better run and hide  
Too many girls have cried  
Oh no, no, no, why  
Do I feel sorry?  
You'd better run and hide  
Too many dreams have died  
Oh no, no, no, why  
Do I still worry?  
You'd better run (You'd better run)  
You'd better run and hide

Twenty five dollars, I paid the bill  
And they let you go  
But you're still not free  
I guess you won't ever be  
Captured in the mess  
Night and day  
All the streets to walk  
They lead astray  
You'll deal with all the pain you feel, yeah

(Chorus)

You'd better run and hide  
Too many girls have cried  
Oh no, no, no, why  
Do I feel sorry?  
You'd better run and hide  
Too many dreams have died  
Oh no, no, no, why  
Do I still worry?  
You'd better run (You'd better run)

You'd better run and hide

Twenty five reasons to leave you  
But I'm still feeling kinda blue  
Inside  
Watching our worlds collide  
Baby, gotta see you as you are  
Wipe the rest of yearning out of my heart  
And try  
To say that last goodbye  
Yeah, yeah, yeah...

(Chorus)

You'd better run and hide  
Too many girls have cried  
Oh no, no, no, why  
Do I feel sorry?  
You'd better run and hide  
Too many dreams have died  
Oh no, no, no, why  
Do I still worry?  
You'd better run (You'd better run)  
You'd better run and hide

Yeah, yeah...  
No, no, no, no  
I still worry  
You'd better run and hide  
Hide  
You'd better run and hide  
You'd better run and hide
