I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm in your love
Then you softly leave
And it's me you need to show
How deep is your love?

How deep is your love
How deep is your love
I really need to learn
'Cause we're living in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest, darkest hour
You're my saviour when I fall
And you may not think I care for you
When you know down inside
That I really do

And it's me you need to show
How deep is your love?
How deep is your love
How deep is your love
I really need to learn
'Cause we're living in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

And you come to me on a summer breeze,
Keep me warm in your love
Then you softly leave
And it's me you need to show

How deep is your love?

How deep is your love

How deep is your love

I really need to learn

'Cause we're living in a world of fools

Breakin' us down

When they all should let us be

We belong to you and me
