I need a woman, that holds on  
That gives me time to think it over  
Time for movin' on  
That's all i want, right now, by me

I wanna meet a real heart, a true one  
Too many words, too many lies  
Bring confusion in my mind  
I gotta break out  
'cause i can't stand it anymore, no more

More that i want, more that i need  
More that i want, more that i bleed  
Can anybody find me an

Angel , angel, i'm crying out for you tonight  
Oh angel, are you there or in my mind  
I want you to believe me, please take me there

Sometimes i dream, and i wish to have  
A little hand to carry me  
Far away from what i see  
If i only could have you, right now, by me

I wanna face a real world, a true one  
Too many words, too many lies  
Bring confusions in my mind  
I gotta break out  
'cause i can't stand it anymore, no more

More that i want, more that i need  
More that i want, more that i bleed  
Can anybody find me an

Angel, angel, i'm crying out for you tonight  
Oh angel, are you there or in my mind  
I want you to believe me,... right now

Angel on my mind, oh  
You're so hard to find
