* Let's get at the brightness
Setsuna sa no mukou no
Misekake ja nai kagayaki sagashite
Now we have the sympathy
Doko made mo yukou yo
Sou hitori ja nai dare demo oh crystal generation

Utsumuiteitan ja yuuutsu na mainichi
Mado no soto kisetu ga nagareteiru no ni
T shatsu to kimochi o ima sugu kikaete
Tobi dasu machikado ha natsu no suteeji
Shinjiteiru yo mune no tsubasa ookiku hiroge
Saisho no minamikaze tsukamaeru

Let's get at the brightness
Kanashimi mo itami mo
Yasashisa o shiru daiji na suteppu
Now we have the sympathy
Toiki ni mo uso ni mo
Sou kumorasenai kokoro ha oh crystal generation

Surikireta shuuzu no himo o tsukekaete
Kake dasu mou ichido natsu no suteeji
Kanjiteiru yo shiroi chizu ni
Jibun no iro de yume e to michi o ima egaiteru

Let's get at the brightness
Setsuna sa o koetara
Chikadzuite kuru kagayaki aru kara
Now we have the sympathy
Massugu na hitomi ha
Mou kizutsukanai itsudemo oh crystal generation
